Accounting Transition Project

Board: AQA

Type: GCE A Level

School: Sturminster Newton High School

Contact: Mrs A Alner

The AQA Accounting A Level covers both Financial and Management Accounting and provides a strong foundation to any career in business or accountancy.

To get started you are to prepare a presentation on the roles and responsibilities of an accountant. Provided on Google Classroom is a power point with links to various web-sites for you do some research and for you to explain what an accountant does. Your presentation should cover the difference between a Financial Accountant, a Management Accountant and a book keeper. You are also to include a final slide with a potential career path for yourself.

For the task above and updates see google classroom group "Accounting Y12 Transition"
