Dear Parents/Carers

As you may be aware, earlier this term Mr Burt became unwell and has been absent from school. At the time of writing we have no indication of when he may be fit to return to work.

With Mr Burt absent, we have put in place specialist supply staff, who, together with support from senior teachers within the school and the Modern Languages Department have covered Mr Burt's classes. We have now received information to indicate that Mr Burt's absence will be long term and we have been very fortunate to have recruited Mrs Foulkes a languages specialist, to teach Mr Burt's classes in January.

As you would expect, it is extremely difficult to manage and plan for a flexible situation and specialist German teachers looking for longer term supply work are in extremely short supply. If you have any questions please direct them through office@mysnhs.net email.

I am sorry that your child's German classes have been affected, but please be assured that we are making every attempt to ensure that progress is maintained.

Yours faithfully

Mr Davis
