Encouragement: To inspire young people with the courage and confidence to be proud of their uniqueness.

Understanding: To provide support, help and guidance with sympathetic awareness and open mindedness.

Trust: To be consistent, honest and respectful.

Love: To care passionately about the well being of young people, knowing when to be tough and when to be kind.

Equality: To believe that all young people have equal worth and equal rights and to work towards a more inclusive society where homophobia & transphobia does not exist.

Fun: To create fun opportunities for young people to learn and grow, build friendships and enjoy their lives.
