### AQA A Level Business Grade Booster Workshop on Tuesday 12<sup>th</sup> March 2024

Hosted by the Tutor2U engaging dream team of Jim Riley, Graham Prior, and Jamie Harrison, our students, with funding from SturAction, enjoyed an action-packed and informative day in preparation for their A Levels coming up in May and June. With all 12 cinemas filled with students from across the southwest, we can appreciate the significance of this stage in their academic journey and the immense enthusiasm they have for their subjects.

The workshop was excellent—fast-paced, filled with energy, and provided great insights for students, who are now buzzing with ideas for their essays! The excellent provision of information, delivered by experts not affiliated with our school, reaffirms advice and content while injecting real positive momentum in the lead-up to these exams.

It was inspiring to witness the depth of knowledge our students possess and how effectively they could engage and contribute to the discussions.

### Year 7 Football

Year 7's played again last night, this time football against Gillingham. Great game played in some difficult conditions but the team played so well together, linking up in attack and putting some strong tackles in in defence! Man of the Match was Edward who was a nightmare for the opposition to defend against, flying down the right wing and crossing the ball in with venom! He also captained the game extremely well. Other stand out players were Alex and Meme in the midfield and Finn upfront.

### Science Week Success!

Students in Year 7 and Year 8 investigated how plants grow from germination and beyond. Students investigated the best conditions to grow their beans, looked at some virtual practicals about photosynthesis and produced some excellent posters to summarise their work. Well done to all involved in the week. Year 7 and Year 8 parents look out for your students bringing home their tiny bean plants to grow at home on windowsills.

## 25th March 2024 - Week 2

### Book of the Week

#### Quidditch Through the Ages

by Kennilworthy Whisp (JK Rowling)

The most checked-out book in the Hogwarts Library, and a volume no Quidditch player or Harry Potter fan should be without!

If you have ever asked yourself where the Golden Snitch came from, how the Bludgers came into existence, or why the Wigtown Wanderers have pictures of meat cleavers on their robes, you need **QUIDDITCH THROUGH THE AGES**.

This invaluable volume is consulted by young Quidditch fans on an almost daily basis.
