

The following are Educational Trips (based on past years) which may take place with an approximate cost. This list is not exhaustive, these educational visits have yet to be confirmed and the activities and costs given are estimated. Other educational visits may also be added if necessary to fulfil the curriculum needs of students. Educational visits are not compulsory, however we try to encourage full participation by the whole year group. We have tried to estimate costs to help Parent/Carers to plan and budget whilst their children are at Sturminster Newton High School. Please contact Mrs Hall for further information or see the school's website. If any Parent/Carer has financial difficulties in funding trips, in the first instance please speak to your child's Head of Year in the strictest of confidence. Future trips will only proceed following the Government Guidelines.
